

Solid Waste Roundtable Meeting

Date: Wednesday, February 21, 2018

Time: 1:00 PM to 4:00 PM

Location: Fire Station No. 5 located at 1911 Stewart Avenue, Lawrence, Kansas

This Solid Waste Roundtable Meeting is brought to you by the Kansas Chapter of the Solid Waste Association of North America (SWANA) and hosted by the City of Lawrence. In addition, Hamm is providing refreshments at this roundtable meeting as a sponsor.

A SWANA membership is not required for attendance and there is no charge. However, space may be limited. Therefore, to properly prepare for the meeting, we need an approximate head count by end of day Monday, February 19th. If you and/or your staff plan to attend this meeting, **please R.S.V.P.** by emailing krichardson@lawrenceks.org.

Roundtable Meeting Invitation Details:

You and your staff are invited to participate in a SWANA Solid Waste Roundtable Meeting. This is a great opportunity for you to join government and private solid waste management officials to discuss similar interests and/or concerns that affect your community and the services you provide. In addition, it is a chance to network with others, discover new solutions to old problems, and share your own expertise with the group. The moderator will help guide the discussion around whichever topics the group feels are most important. General topics for discussion could include: Recycling Programs, Collection Operations, Landfill Operational Issues, Composting Operations, Household Hazardous Waste Facilities, Vehicle Maintenance / Fuel Issues, Safety and Training Programs, Public Education Programs, Compliance and Regulatory Agency Standards, State and/or National Legislation, Community Relations / Customer Service, and open forum decided by participants at the meeting.

Generally, public works directors, engineering staff, consultants, superintendents, supervisory personnel, and equipment operators participate in these discussions. However, we welcome anyone who has an interest in solid waste management.
