

## Manager of Landfill Operations (MOLO) Training

The Kansas Sunflower Chapter of the Solid Waste Association of North America (SWANA) is offering a Manager of Landfill Operations (MOLO) training course this year on Sunday, September 29<sup>th</sup> through Tuesday, October 1<sup>st</sup> in Mulvane, Kansas. The exam for the course will be scheduled in the morning on Wednesday, October 2<sup>nd</sup>. Training location: Kansas Star Conference Center, 777 Kansas Star Drive, Mulvane, Kansas.

NOTE: The annual Kansas Solid Waste Management Conference and Operator Training Course hosted by the Kansas SWANA Sunflower Chapter and KDHE will be held on October 1-3, 2019 at the same location as the MOLO training (Kansas Star Conference Center, Mulvane, Kansas).

The Manager of Landfill Operations course provides a comprehensive study of efficient landfill operations, including site design, compliance with regulations, and issues to consider when planning, operating, and closing landfills.

### Course Objectives

Upon completion of this course, participants will be able to:

- Understand the scope of landfill importance, purpose, characteristics, design, equipment and compliance with regulations;
- Manage daily operational procedures;
- Improve landfill safety;
- Understand construction and surveying practices;
- Implement and manage effective monitoring systems;
- Maximize your site's administration; and
- Improve efficiency and control costs.

### Who Should Attend?

This course is intended for landfill owners, operators, managers, supervisors, foremen, as well as engineers and employees responsible for daily landfill operation.

**Registration deadline is Friday, September 6, 2019.**
